PCC Lydia Houser, OLERF Executive Director, announced to the Council of Governors (COG) and Lions of Ohio that the Ohio Lions Eye Research Foundation's (OLERF) Code of Regulations requires an annual meeting.

PCC Lydia Houser stated OLERF had another busy year:

- There have been more grants/fellowships awarded and more applications are being submitted.
- OLERF has a great OLERF website full of information.
- Be sure to ask for awards when your clubs or you qualify. It is a great way to recognize someone who is doing superb work.

• OLERF has brochures available, and you can get them from any OLERF trustee.
• There are several videos available concerning the research being conducted from our grants.   They are great for meetings to show lions that we are truly making a difference. You can ask our trustees to be a speaker at a meeting.

Lion Nancy Brown asked for a motion for adjournment. PID Steve Sherer motioned and 1VDGe Sara Camacho seconded to adjourn; motion carried. Meeting adjourned.
