

**OHIO LIONS EYE
RESEARCH FOUNDATION, INC.**

May 1, 2019

Dear Lion President

As the Lion's year winds down, I've noticed your Club has overlooked a contribution to the Ohio Lions Eye Research Foundation.

OLERF supports eye research at six of Ohio's premier research institutions and funds two Lois Hagelberger Hubner Young Researchers. The work that we have done since 1951 has saved the sight of countless individuals. River Blindness has been virtually eliminated thanks to research paid for by your Foundation.

Please consider a generous contribution to eye research at your earliest convenience.

I thank you in advance for your generous contribution.

Yours in Lionism.
